## K3 Distance

## Learning

## May 19th - 22nd

Hello K3 Families! We hope that you had a wonderful long weekend! :) We hope that you enjoy this week's suggested activities! As always, please feel free to reach us via email with any questions or concerns. Thank you!

## Math

STEP 1: Choose one (or more!) of the pictures below. Together, discuss which item does not belong with the set. There is no "right" or "wrong" answer!
Ex: The Eggs $\rightarrow$ perhaps the purple egg does not belong because it is the only one without polka dots. Or, perhaps the yellow egg doesn't belong because it is smaller than the other eggs.

STEP 2: Challenge! Create your own "Which of these doesn't belong?"
$\star$ Find four objects that have something in common but are not exactly the same (ex: stuffed toys, books, fruit, t-shirts, socks)
$\star \quad$ Challenge your family to share which item they think doesn't belong, and explain which item you think doesn't belong. Did you think the same, or different?
$\star \quad$ Take a picture of your four items and we will share them on Twitter and see if K3 can figure out which item doesn't belong! :)

## You're Invited!

We will be holding a Google Meet on Wednesday, May 20th @ 11:15am.

This week, we plan to first do an activity together as a class. We will also be inviting 10 children per Google Meet to share something with the class. We will send a message to the families of our first 10 sharers. If you don't receive an email this week, not to worry! We will make sure that each child who would like to share will have a chance! :) If you receive an email and know that you will not be able to attend this week's Meet, OR your child would prefer not to share, please let us know. We will make a note of this, and will ask you if you'd like to participate in a future Google Meet. Thank you for your support! We look forward to seeing you then! :)

## Religion

## The Lord's Prayer

This week your challenge is to practise the Lord's
Prayer. If you speak another language at home, you can learn this prayer in your family's language too!

God is always here for us through our prayers!

## Make a Prayer Rock!

Here is a fun art activity to help you remember to say prayers!

1. Find a rock with a flat surface.
2. Using paint or chalk decorate your rock with images or words.
3. Keep your rock somewhere to help you remember to say your prayers and remind you that God is always with you! You can hold your rock too when you pray! For more ideas -
https://www.gingersnapcrafts.com/2019/07/prayer-rock-tutorial.html

## 發 <br> The Lord's Prayer

Our Father, who art in heaven, Hallowed be thy Name.
Thy kingdom come.
Thy will be done,
On earth as it is in heaven.
Give us this day our daily bread. And forgive us our trespasses, As we forgive those who trespass against us. And lead us not into temptation, But deliver us from evil. For thine is the kingdom, and the power, and the glory,
for ever and ever.
Amen.

## Literacy：English \＆French

You Language Challenge this week is to start a Reading Log！ You can print the template we are providing，or make your own！ Every time you read a book（whether it＇s a physical book or an electronic book）－either English or French－colour in one of the books．When you have filled out the entire Reading Log（20 books）， please send us a picture of you holding your reading log，and we will send you a virtual Reading Certificate on Twitter！Have fun reading K3！！：）

## English Reading Resources：

RazKids－please let us know if you require login information
Abdo Digital（mostly non－fiction texts；can search by level－
＂Beginner＂）－can be found on the Student Portal：
（https：／／sites．google．com／a／ocsbstudent．ca／k－6／）
－Username：abdig2014
－Password：good2read

## Reading Log

## French Reading Resources：

## Storybooks Canada

## ABRACADABRA

https：／／literacy．concordia．ca／abra／fr／
（click on Jouer，and then choose＇livre＇，click on the horn on each page to hear it read aloud）

Get moving this week by setting up an obstacle course in your house, your yard or in a nearby park! You can use any type of objects:

- Containers as pylons
- Skipping ropes
- Hula hoops
- Balls
- pillows

Try to include a variety of movements in your obstacle course:

- Balancing
- Jumping
- Running at different speeds or around objects
- Turning or spinning
- Crawling

Extra challenge: Try timing yourself and/or the other people in your house(9) What is your fastest time? Who is the fastest?

If you want an idea of how to set up an obstacle course indoors, check out this video: https://www.youtube.com/watch?v=v7V UKNvxvk
