

# GOOGLE MEET GRID VIEW EXTENSION:

If you would like to download the extension for Google Meets that allows you to see everyone's picture at once during a Meet, you can find it here:

<https://chrome.google.com/webstore/detail/google-meet-grid-view/bjkegbqpfqpkkgkfidhchihflbjgfc/related>

You will need to be using the Chrome Internet Browser, and click on “Add to Chrome.” Then you must close Chrome, and reopen it for the extension to be properly installed. During our next Google Meet, you will see this icon at the top of the screen: 

Click on this icon, and it will look like this:  You should now be able to see everyone in a grid! We can help with troubleshooting at our next Google Meet.
