

K3 Distance Learning

April 14th - 17th

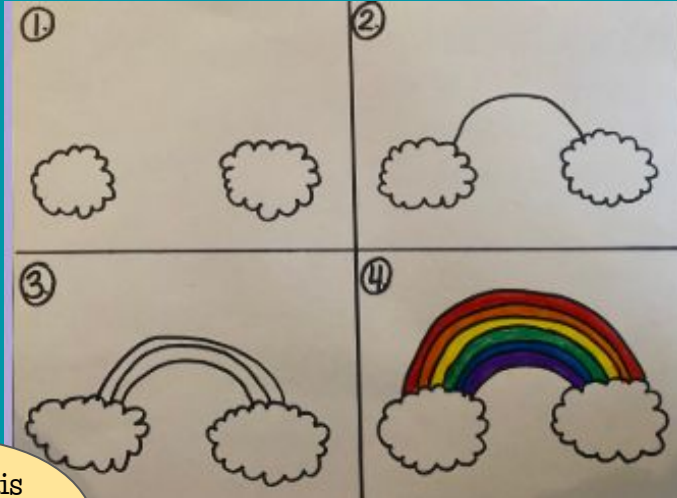

Hello K3 families! We hope you all had a wonderful Easter! In this slideshow, you will find the suggested learning activities for the week. As with last week's, please feel free to pick and choose which activities work for you & your family, and the order in which you would like to complete them. We invite you to send us photos via email of your child completing these activities! Each day on Twitter we will be highlighting one activity (in the order of the slideshow), and will post photos that you send us, with your permission (please note in your email if you are sharing your photos with the K3 Educators only, and we will *not* post them to Twitter). Please feel free to contact us if you have any questions or concerns! Have fun this week! :)

Religion

Celebrate Easter!

Happy Easter!

Try this step by step drawing of a rainbow as a message of hope!

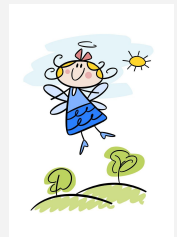

En français
rainbow is
"arc-en-ciel"!

Here is our Kindergarten
prayer to practise in English
and French!

Angel of God
My guardian dear
To whom God's love
Commits me here
Ever this day
Be at my side
To light and guard
To rule and guide
Amen

Ange de Dieu
Mon cher gardien
Tu es envoyé
Pour me protéger
Merci de me
guider
Tous les jours
À l'école et la
maison
Amen

Self- Regulation & Well-Being

Get your body moving!

Try this game with your family:

Red Light, Green Light

**Lumière Rouge,
Lumière Verte**

To play this game:

1. Find a space where you can move.
2. Have someone call out the light colours (i.e. “Red Light” or “Lumière Rouge”!)
3. The other participants move, stop or slow down by listening to the colour called out loud!

 **Red Light/Lumière Rouge = Stop**

 **Yellow Light/Lumière Jaune = Slow Down**

 **Green Light/Lumière Verte = Go!**

Literacy: French

C'est le printemps!
It is Spring!

Signs of "le printemps"!

We are encouraging you to make your own binoculars using 2 toilet paper tubes to look for signs of Spring out your window or on a walk!

When you spot a sign of spring, you can:

-  Write a list of what you see in French and/or English!
-  Say the word out loud in French!
-  Draw a picture of what you saw!

You could even put your pictures and words together in a journal or book!

Vocabulaire de printemps

un oiseau

la pluie

le soleil

un arbre

une fleur

un lapin

How many of the vocabulary words on this page do you hear in the song "Le printemps"?

Celebrate Spring! C'est le printemps!

Math

Distance Challenge

How far is it from your bed to your fridge? 🤔

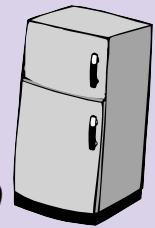

- 1) Choose a set of objects that you will use to measure the distance from your bed to your fridge (ex: shoes, books, toys, etc)
- 2) Make an *estimate* (a guess) about how many of the objects you will need to get from Point A to Point B. Write down your estimate.

Point A

Don't forget to take pictures! :)

Point B

- 3) Starting at Point A, lay down your objects, one by one, until you get to Point B.
- 4) Count how many objects it takes to get from your bed to your fridge. Write down the number.
- 5) Compare your estimate and the actual # of objects - are they similar? Which one is more? Which one is less?
