

# K3 Distance Learning

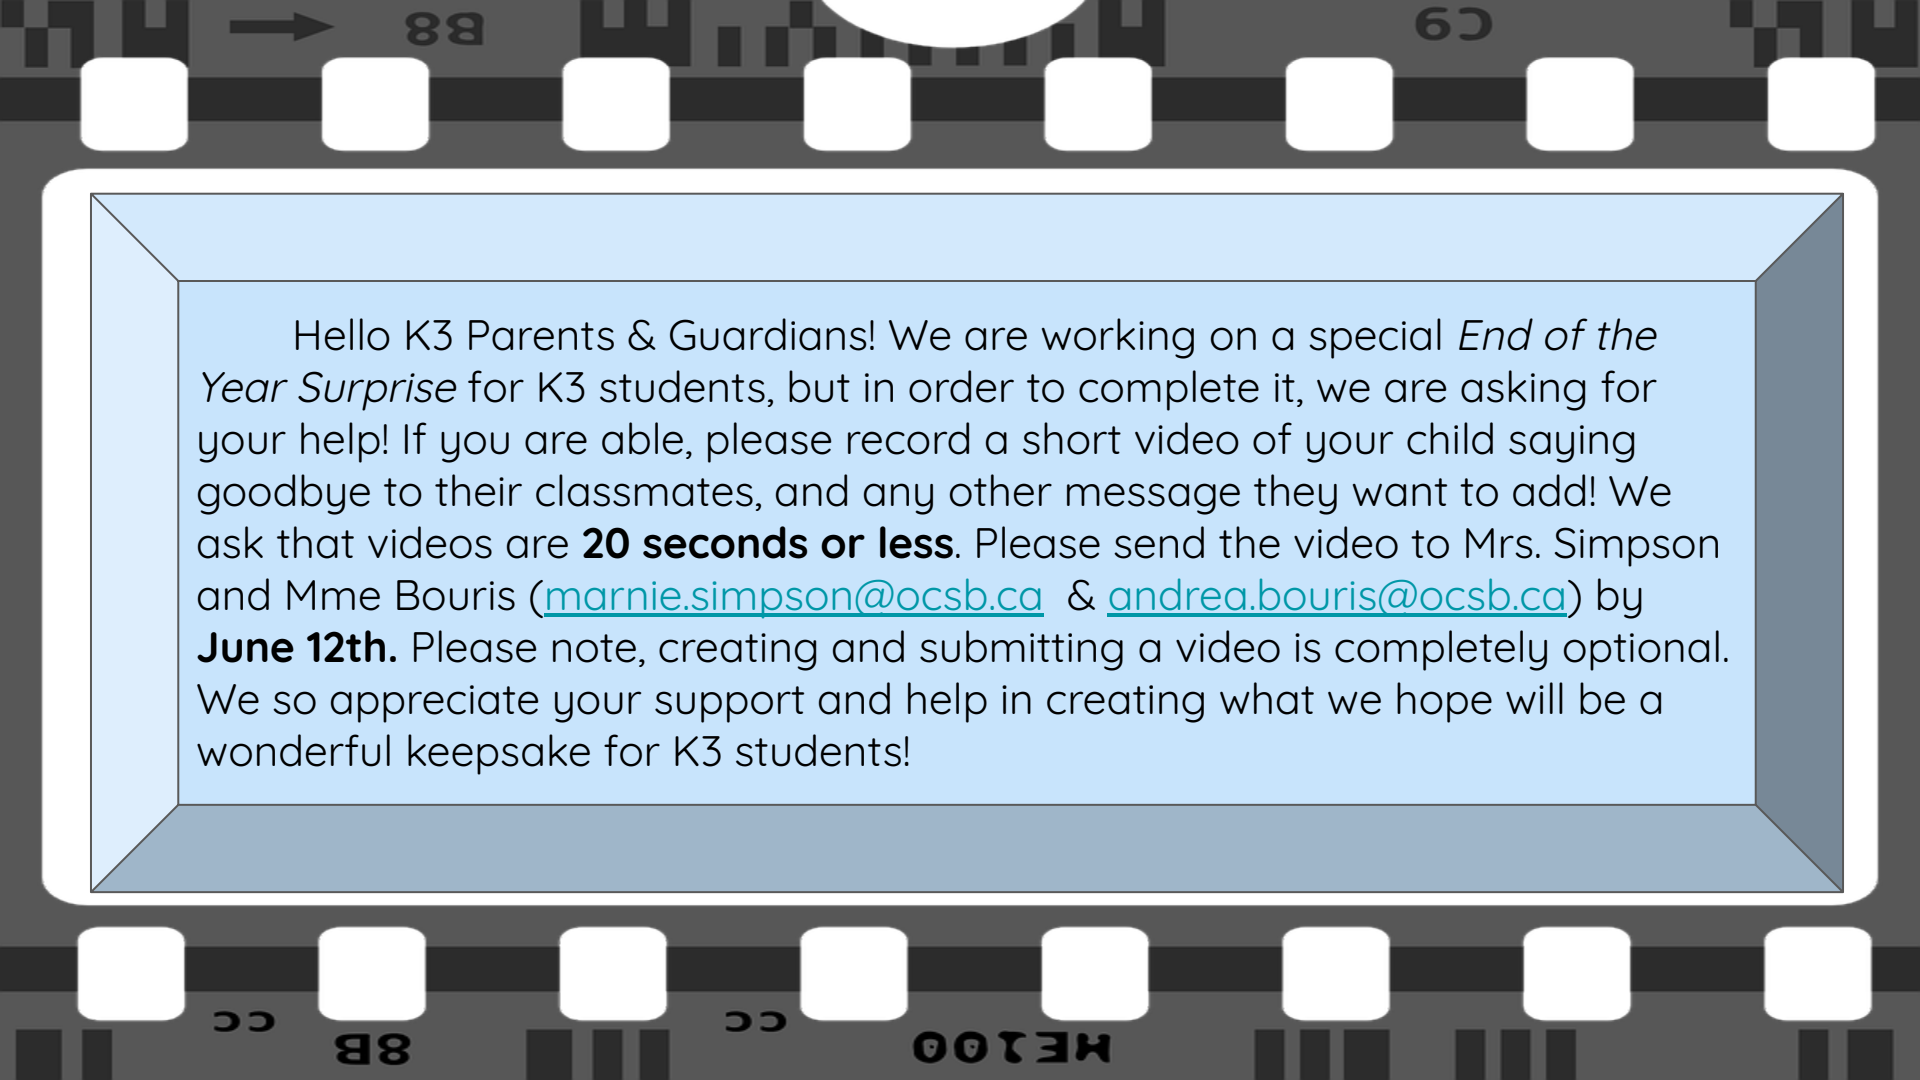

## June 1 - 5

Hello K3 Families!

Welcome to Week 2 of our Alphabet Countdown!

We so enjoyed seeing all the photos of last week's challenges - please keep sending your photos in :)

We hope you will enjoy this week's suggested activities. Please reach out to us with any questions or concerns.

Hello K3 Parents & Guardians! We are working on a special *End of the Year Surprise* for K3 students, but in order to complete it, we are asking for your help! If you are able, please record a short video of your child saying goodbye to their classmates, and any other message they want to add! We ask that videos are **20 seconds or less**. Please send the video to Mrs. Simpson and Mme Bouris ([marnie.simpson@ocsb.ca](mailto:marnie.simpson@ocsb.ca) & [andrea.bouris@ocsb.ca](mailto:andrea.bouris@ocsb.ca)) by **June 12th**. Please note, creating and submitting a video is completely optional. We so appreciate your support and help in creating what we hope will be a wonderful keepsake for K3 students!

## Favourite Things Day! Journée d'objets préférés!

### What are your “favourite things”?

Today's challenge is to make a *collage* (cut out pictures and glue) or make a *drawing* of your favourite things!

Here are a few ideas:

- favourite foods
- favourite toys
- favourite colour
- favourite people
- favourite places
- favourite animals

Image from: <http://moreexcellentme.com/my-family-preschool-week/>

### Extension:

- If you have enjoyed making art about your favourite things, you might want to **do** one of your favourite activities (i.e. cook or eat your favourite food)
- Can you name any of favourite things in French?

If you would like to make something else with the letter **F**, here is a **paper fan craft!** You will need, paper, tape and/or glue!

# Galaxies Far, Far Away! Dans une galaxie lointaine!

Do you enjoy looking up to the sky? What do you see at night?

### Challenge:

Build something that you would see in space!

Here is a video about the Solar System:

Want to be an **astronaut**?

You could also use recyclable materials (i.e. boxes and tubes) to make a jet pack or a rocket ship!

# You're Invited!

We will be holding a Google Meet on **Wednesday, June 3 @ 11:15am.**

As we did last time, we will begin our Google Meet with a whole group activity. We will then welcome our next 10 sharers to share with the class. Parents, if you have leave the Meet at this point due to your schedule, we understand!

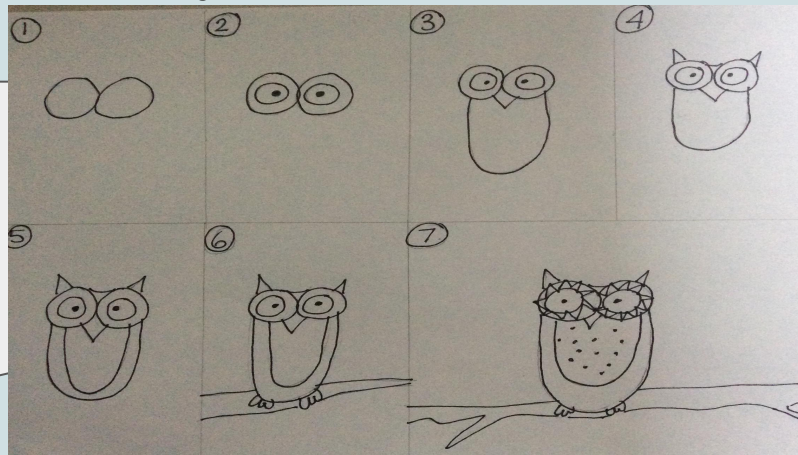

If you receive an email about your child sharing this week, and you know that you will **not** be able to attend this week's Meet, **OR** your child would prefer **not** to share, please let us know. We will make a note of this, and will ask you if you'd like to participate in a future Google Meet. Thank you for your support! We look forward to seeing you then! :)

## Owl (Hibou) Day!

*Coucou!*  
*Bonjour les amis!*

Can you draw a picture of me by following this guided drawing?

Extension: Can you label a drawing of me en français?

Did you know that I am nocturnal animal? That means I hunt at night! If you want to pretend to be me and hunt for your food, turn off the lights or go to a dark part of your house and “fly” around. Here is a video that shows you how to move like an

### Create your own I Spy picture!

- Gather the items you want to include
- Lay them out close together
- Decide the clues you are going to give (“Find 1 dog; find 1 purple hairbrush; find 3 purple hair elastics”)
- Challenge your family to solve your I Spy picture!
- Send us a picture of what you create!

## Jeu (Game) Day!

Happy Game Day K4! It may not be Tuesday, but it's the perfect day to pull out your favourite board game (or other type of game!) and play with your family! Don't forget to send us a photo of you playing the game!

**CHALLENGE!** Do you want to try to create your own Board game? If so, click here for a template you can use, or design your own! Anything goes - it's your game!

*Ideas that you could use on your board:* colours, shapes, letters, numbers, words, pictures. We can't wait to see what you create!

Did you know that you learn lots of important skills when you play board games? :)

- ★ Taking turns
- ★ Problem solving & decision making
- ★ Language development
- ★ Working as a team & more!
